

Amendatory Section:

Manufacturers and distributors must not offer credit to operators in the sale of gambling equipment, devices, related supplies or paraphernalia, and services. Manufacturers and distributors must conduct all sales of such to operators on a cash basis. "**Cash basis**" means full payment is received by the seller on or before actual delivery of the product or service to the purchaser.

Capital leases.

(1) All licensed manufacturers and distributors may sell gambling equipment such as dispensers, bingo blowers, roulette wheels, etc., and gambling-related support equipment through capital lease agreements or other financing arrangements to operators subject to the following conditions and requirements:

- (b) The term of the contract does not exceed forty-eight months;
- (c) All terms of the contract are in writing and copies of such agreements are provided to the commission within thirty days of execution;
- (d) The manufacturer or distributor retains only a security interest in the item sold and cannot obtain any ownership interest in the licensee, or exercise any control over the use of the item in the licensed activity;
- (e) The amount of payments is not based on the size or level of gambling activity and is determined by use of a standard amortization schedule for the term and stated interest rate;
- (f) The interest rate charged by the contract is set at the time of sale and does not vary during the term of the contract; and
- (g) The contract does not require the purchaser to directly or indirectly purchase any other products or services from the seller.

Rental or license agreements.

(2) Except for punch boards, pull-tabs, bingo paper, bingo supplies, playing cards, and other consumable gambling-related equipment or devices, manufacturers and distributors may lease or rent gambling equipment to operators. Manufacturers may also enter into license agreements with operators for use of the manufacturer's patented, copyrighted, or trademarked games.

(3) Manufacturers and distributors may only base fee structures for electronic bingo equipment on the number of times a device is used, **the number of bingo cards sold to a device** or the number of bingo sessions in which devices are used. Fees must not be determined by a percentage of sales, ~~((the number of bingo cards sold through the device,))~~ or the average amount a player spends on a device.

Check or credit card purchases.

(4) Operators may purchase goods and services from manufacturers or distributors when paid for by checks, or credit card issued by a state and/or federally regulated financial institution that meet the requirements of WAC 230-12-350.
